#### MESSAGE:

It gives me an immense pleasure in presenting the newsletter of Lokseva College of Pharmacy, Phulgaon (LCOP). LCOP is established in 2006 with Diploma in Pharmacy and from this academic year Degree program has been in progress. Today LCOP is not just an institute but is a family in which management, staff & students work united to foster the pharmacy profession and look after the overall development of students. The students are proud of their new academy and their new house system which mirrors our motto of 'Aspire, Believe, Achieve' and underpins the vision to raise all students' aspirations and achievements. I would like to thank all the stakeholders who have helped make the transition smooth. I would like to congratulate all teaching and non teaching staff for leading & bringing this issue successfully. I would also like to thank student representatives of LCOP who worked hard for this issue. I wish best of luck to all the students for their endeavors.
