STUDENT MENTORING CELL

Academic year 2024-25

In order to resolve day to day academic problems of students, mentors are appointed for a batch of 10 students of two years, and they will counsel the respective student once in a week, to solve the problem come across during their course of study.

This is a continuous process till the end of academic carrier of student. During the last year, students are advised for higher studies along with carrier guidance. Reasonable number of student has secured admissions for higher studies. And they in turn guide there juniors for there prospective admissions.

Goal:

The objectives of the practice followed by Institute are:

- To monitor the students regularity and discipline.
- Inform the parents about performance and regularity of their wards.
- Improvement of Teacher- student relationship.
- Counseling students for solving their problems and provide confidence to improve their quality of life.

The Context:

The following are the issues which motivated the college to implement the mentoring system.

➤ Inculcating discipline, punctuality and motivation among the students is the main objective in Career building of a student. The college has adopted a well established system, Counselling and mentoring record for monitoring and mentoring student's activity.

- The scheme aims at addressing conflicts in attitudes, habits and knowledge of the students Towards a learning practices.
